## Sodexo Thailand and Amata Facility Services establish a joint-venture company to provide integrated quality of life services at Amata industrial estates

**Bangkok, June 23<sup>rd</sup>, 2015 - Sodexo Thailand**, local unit of the France-based global leader in integrated facilities management services that improve the quality of life, and **Amata Facility Services Co., Ltd.**, Thailand's leading industrial city developer, **have entered into a Shareholder Agreement to establish Sodexo Amata Services Limited, a joint-venture company to provide one-stop integrated facilities management services to improve the quality of life** and well-being of all people working at Amata Nakorn Industrial Estate and Amata City Industrial Estate as well as improving process efficiency and infrastructure reliability and quality.

**Mr. Arnaud Bialecki**, Country Manager of Sodexo Thailand, said *“Sodexo Thailand is a member of Sodexo Group, the world’s largest facilities management company that operates in more than 80 countries worldwide. We deliver first-class integrated Quality of Life services, ranging from facilities management, technical maintenance, and food service to security service, housekeeping service, and gardening and landscaping services to a broad range of clients including leading hospitals, hotels, education institutions, private companies, remote / off-shore sites, and real estate. We are delighted to join forces with Amata Facility Services in expanding integrated facilities management services into industrial estates for the first time ever in Thailand. Over the past 10 years, we have worked with many leading companies. Therefore, we are confident in the great potential of our team to deliver best value solutions for Amata’s industrial estates.”*

Under the agreement, Sodexo Thailand will help promote operational efficiency of Amata Facility Services Co., Ltd. as well as ensuring that clients are provided with the best possible benefits through the provision of facilities management service, catering service, cleaning service, security service, and gardening and landscaping service.

**Mr. Viboon Kromadit**, Director and Chief Marketing Officer of Amata Corporation PCL, said *“Amata is a leading industrial city developer specializing in planning, developing, managing and marketing integrated industrial estates. There are countless people working at Amata Nakorn Industrial Estate and Amata City Industrial Estate, and the number is expected to increase every year. We realize the importance of providing better services to improve the quality of life of people working at our industrial estates. So we have decided to join forces with Sodexo Thailand, the credible professional provider of integrated facilities management services, to establish Sodexo Amata Services Limited in an effort to provide the best service possible that help improve the environment, work performance, and more importantly, the quality of life.”*

In addition to improving people’s well-being, Sodexo Amata Services Limited provides one stop service to meet the different needs of companies located at Amata Nakorn Industrial Estate and Amata City Industrial Estate, with a full range of services including facilities management, service, catering service, cleaning service, security service, gardening and landscaping service. Key benefits offered by Sodexo Amata Services Limited include one-stop service, reliability, cost control, fast response available 24/7, 365 days a year, and high quality on par with international standard.
